Subject: Surface Water Quality Best Management Practices Cost-Share Applications

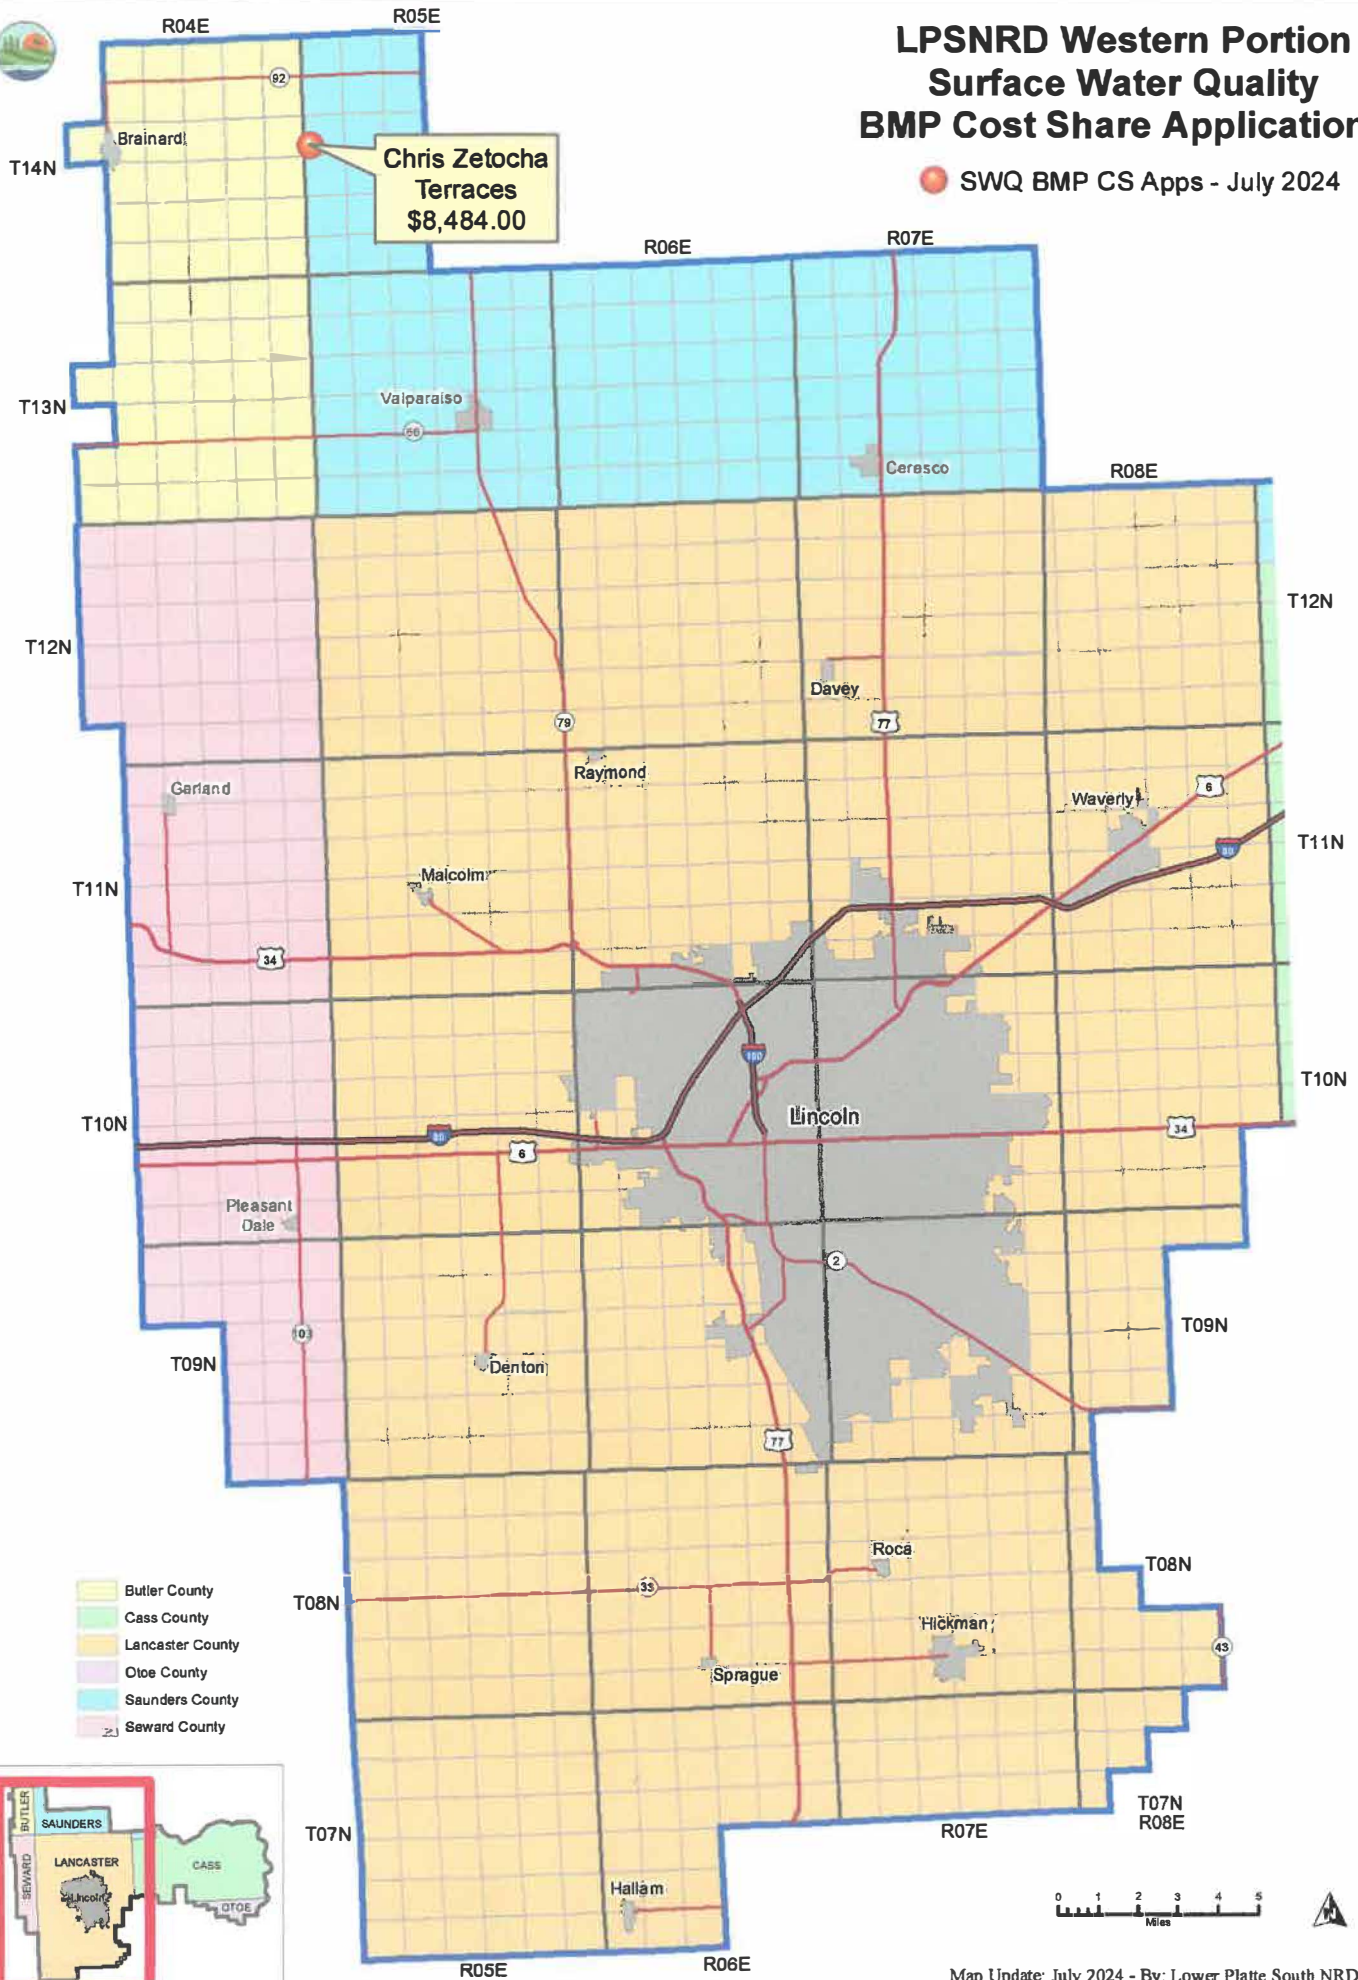

One cost-share application has been received for installing water quality improvement practices for the NRD’s Summer Conservation Program. The Land Resources Subcommittee did not meet, however, the application was reviewed by the Western Review Group and met the criteria for the Cost-Share Program. The application is in the Western area and is not in a targeted area. Staff recommends approval of the identified summer surface water quality BMP cost-share application for Chris Zetocha totaling an amount of \$8,484.00.
