John,

We would appreciate your consideration of our call for photography of the weekly summer Nacho Ride on our MoPac East Trail. We believe the Nacho Ride experience is a unique one that inherently promotes the trail in a positive way. Your capturing that experience in photos would prove useful to us in newsletters, brochures, our website, digital advertising, etc., and, we do have a plotter type printer for large displays or banners, so high-resolution digital files (no prints) will be appropriate. We hope some fresh, creative eyes will help increase public awareness of our programs and public use areas.

Below are a couple of links to information about the ride and you can find some older articles through Google. LPSNRD only furnishes the MoPac East Trail. The rest has evolved on its own over the last 16 years.

Our budget for this project is limited to \$1,000. Please reply by Friday, May 27th, with the following information:

- approximate number of hours you plan to spend on the project
- approximate number of photos we can expect to receive
- the date by which you expect to complete the project, if given a go-ahead on June 1st.
- method of photo delivery to us (We are flexible and open to a Dropbox-type arrangement, Google Drive, thumb drive, CD or other free delivery method.)
- your fee

We are excited to proceed with this project and we have hopes of conducting other similar projects at other sites or events in the very near future, pending the results of this first project.

Contact me if you have questions and I'll wait for your reply,

Mike Mascoe
